SELAHADIN HAMID

Hello there! 👋 I'm selahadin hamid, a passionate front-end developer with a year of hands-on experience. I specialize in crafting sleek and responsive and animated websites using cutting-edge technologies like React.js, Next.js, Tailwind CSS, and Bootstrap. My commitment to creating seamless user experiences is at the core of every project I undertake.
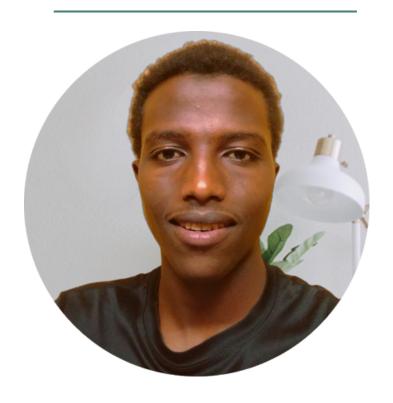

In addition to my coding expertise, I wield the creative power of Canva and Adobe tools to bring design visions to life. From eye-catching banners and captivating cards to irresistible coupons and distinctive logos, I've got the design realm covered. Proficient in leveraging Canva's tools, I seamlessly blend functionality with aesthetics to deliver visually stunning results.
